This endorsement applies to the Property Coverage of the policy and is subject to the terms, conditions, limitations and exclusions that are applicable to the Property Insurance Form to which this endorsement is attached.

This endorsement applies separately to each location for which Earthquake Shock is specified in the Declaration Page(s).

### 1. Insured Peril

This insurance is extended to include **earthquake**.

### 2. Deductible

The Insurer is liable for the amount by which the loss or damage caused by **earthquake** exceeds the amount of the deductible specified on the Declarations Page(s) for this endorsement in any **earthquake occurrence**.

If a percentage deductible is specified, the amount of the deductible shall be that percentage of the amount of insurance for each item of insured property separately, as each such item is specified on the Declaration Page(s) or on a statement of values. If any such item shall insure two or more **buildings** and/or **contents**, this percentage deductible clause shall be applied separately to each **building**, and/or **contents**.

If both a dollar amount deductible and a percentage deductible are specified on the Declaration Page(s), whichever deductible is greater shall apply. The dollar amount deductible shall apply separately to each **building**, and/or **contents**, unless they are located on the same **premises**.

In the case only of Builders Risk insurance, the amount of the deductible shall be that percentage of total insured values existing at the time of an **earthquake occurrence**.

This deductible clause supersedes the provisions of any other deductible clause stated elsewhere in the policy.
